### PROMOTING ENVIRONMENTAL EDUCATION

The Environmental Education Association of Indiana promotes networking and communication among groups and individuals in an effort to provide its members opportunities to share their knowledge, skills and resources with others.

Our vision is an environmentally literate citizenry of lifelong learners who are good stewards of our natural resources.

*“In the end, we will conserve only what we love, we will love only what we understand, and we will understand only what we are taught.”*

— Baba Dioum

## THE EEAI MISSION

The Environmental Education Association of Indiana (EEAI) is dedicated to promoting environmental education. The organization is not issue-driven. Our mission is to work cooperatively to promote opportunities that will educate, motivate and inspire the citizens of Indiana to conserve natural resources and meet the needs of our society while maintaining a healthy environment now and in the future.

EEAI is an affiliate member of the North American Association for Environmental Education.
